

Central Hawke's Bay District Council	POLICY MANUAL	
	Document #	7.18
<i>RATING SYSTEM POLICY</i>	Approved by:	Council
	Adoption Date:	19-06-2014
	Last Amended:	29-06-2006
	Review Date:	September 2017
	Page:	Page 1 of 1

Council will operate a rating system which endeavours to meet three requirements:

- a) The rates systems should be equitable to share the rate burden across the district.
- b) Be clear and easily understood so that ratepayers can determine the amount of rates charged for the provision of various benefits and services.
- c) The rates collected should reflect a benefit to the District ratepayers and it should reflect the true cost of providing those benefits.
