Terms and conditions:

I understand by making this application that I am willing to accept and comply with the following conditions:

- **Application fee of \$191.50 (GL# 7101191)** is required for approval and inspection
- The vehicle crossings must be installed by a contractor preferred by Council. Council must approve the design and location of the crossing prior to installation. Full cost must be paid by the applicant.
- **Written confirmation of acceptance of this application will be made** at which time the applicant will be requested to supply to Council a quote for the cost of the vehicle crossing along with a bond. The quote must be not more than 30 days old and must be provided by a Council preferred Contractor. The bond will be refunded after completion of the vehicle crossing.
- The vehicle crossing must be constructed within 12 months of being granted approval to proceed or the Council will construct the crossing using the bond.
- Any cost to Council for repairing any damage caused to any property owned by Council or Private Individual due to the installation of the vehicle crossing will be claimed from the owner of the property.
- If an authorised Agent is making this application, the property owner's signature is also required.
