Applying for a rates rebate

The purpose of the Rates Rebate Scheme is to provide a subsidy to low income home owners on the cost of their rates. This application form is for a rates rebate for the 2017/2018 rating year; the period 1 July 2017 to 30 June 2018. The maximum rebate for this rating year is \$620 and applications close on 30 June 2018.

Am I eligible?

- ☐ I was a legal ratepayer for the property that was my home on 1 July 2017.
- ☐ I am applying for the 2017/2018 rating year, which runs from 1 July 2017 to 30 June 2018.
- ☐ I am not applying after the deadline, which is 30 June 2018.
- ☐ If you live in a retirement village or an owner-occupied flat read the information below.
 - » **Can people living in retirement villages apply?** In general, holders of a licence to occupy agreement are not eligible for a rebate as they do not meet the Scheme's requirements. However, retirement villages operate under a variety of tenure arrangements. Please check with your local council to determine if you are eligible to apply.
 - » **Can owners of owner-occupier flats apply?** An owner-occupier flat forms part of a group of two or more dwellings that are separately owned by the occupants, but built on a single rating unit. The rates are shared by the owners. If you are the owner of an owner-occupier flat, you might be eligible for a rebate. You will need to complete a separate rates rebate owner-occupier declaration form which can be obtained from your local council, or downloaded from www.dia.govt.nz/ratesrebates. Once completed, the owner-occupier declaration form should be handed to the council with this application form.

How much will my rebate be?

Your rebate is determined by the level of rates payable in the 2017/2018 rating year, and your household income. If you have dependants, your rebate entitlement is likely to be greater, up to the maximum of \$620. To check your entitlement, please refer to the table below or visit www.dia.govt.nz/ratesrebates and enter your details into the **rebate calculator**.

Rates rebate income eligibility table for households with no dependants. Please note that table values are an estimate only and do not guarantee your entitlement. You will still need to go and see your local council for the rebate to be determined.
