

## **Connect Youth & Community Trust**

Connect Youth & Community Trust was established in 2012 with support from the Mayor's Taskforce for Jobs and have been delivering driver licensing programmes in CHB and CHB Schools for over 12 years and have expanded their program to provide the opportunity for driver safety and licencing for very young person turning 16 years of age.

They are the only high school programme of its kind in New Zealand.

They have been instrumental in engaging and coordinating excellent working partnership with other community groups and organisations to ensure the best possible outcomes for these students and their theoretical and practical proactive support is exceptional and have certainly achieved their vision of ensuring that our youth have access to a full clean driver's licence.
