

Your Rates at Work

Long Term Plan – what's happening next?

Are you paying your rates to the correct Council?

We've noticed an increase in the number of incorrect payments being made to both our Council and the Hawke's Bay Regional Council.

Central Hawke's Bay property owners pay two sets of rates – local rates to Central Hawke's Bay District Council and regional rates to the Hawke's Bay Regional Council. Please check your phone and internet bank settings to ensure your payments are going to the correct Council.

Central Hawke's Bay District Council rates

Rates are due on 20 August, 20 November, 20 February and 20 May. District Council Rates fund services to your property such as water, sewer, waste management, as well as amenities in your local community including roading, parks and reserves, libraries and community halls.

Central Hawke's Bay District Council's account number is 010777 0038665 00, please use your valuation number as reference.

Hawke's Bay Regional Council rates

The regional rates are invoiced annually in August and are due on 20 September. Regional Council Rates fund the management of natural resources on your behalf, such as water and air quality, land sustainability programmes, and coastal, wetland and habitat protection. The regional council also manages programmes such as flood protection, biosecurity, transport planning, regional economic development and regional civil defence emergency management.
