FREE Household Hazardous Waste Disposal Day

Have you got household, garden or pool chemicals?
What about used batteries or old gas bottles?

We are holding a FREE Household Hazardous Waste Disposal Day with our HazMobile, so hazardous waste can be disposed of safely, in a way that protects our people and the environment. You can't throw these chemicals out with your weekly rubbish or recycling, but you can dispose of them for **FREE at Waipukurau Racecourse (218 Racecourse Road) on Sunday 28 July.**

Simply pre-book your time slot between 9 am and 4 pm on 28 July and show up on the day to drop off your hazardous waste at Waipukurau Racecourse. A list of acceptable hazardous materials (household only) is available on Council's website.

Find out more and pre-book your place online at www.chbdc.govt.nz or scan the QR code to avoid delays or missing out.
