

Keeping it Central

Kia Ora Central Hawke's Bay!

We are almost at the midway point of the 2020's, and yet 2019 feels like another time. With COVID and Cyclone Gabrielle, we have learnt that as a district we are resilient. We continue to take strides forward as we rebuild for generational change.

But all of that takes a lot of energy, which makes this long weekend, bookended by Hawke's Bay Anniversary and Labour Day, as a welcome top up of rest and relaxation as we move towards Christmas and all that entails.

For many refilling your bucket is an opportunity to get outside and enjoy the best this district has to offer.

From a dip in the ocean at Pōrangahau, to a walk at Ōtaia Lindsay Bush Reserve, where we have upgraded the carpark thanks to funding from NZTA, there's a lot on offer. And for those who want to get out into the garden, we are taking green waste for free at the transfer stations on Sunday 27 October.

Whatever you do, take a moment to have fun, spend time with those you love, and soak up the district we all love.
