

Community Conversations Round Two

Moving Forward Together

Next week we are coming to Wallingford Hall!

After the devastating impact of Cyclone Gabrielle in February and a series of nine initial conversations in May, the first edition of Central Hawke's Bay's Recovery and Resilience Plan was released. It focused on the short term needs to restore social, built, economic and natural environments, and supporting our people in the immediate aftermath. As we forge ahead with recovery, we've been holding a second series of conversations across the district to update you on progress, hear how you think we are tracking and where you think our priorities should be in the long term for your community. We want your local knowledge and experience to ensure everything we're hearing from our communities is included in our planning.

Date	Time	Locality/catchment	Location
Tues 7 Nov	6 – 7.30pm	Wallingford & Flemington	Wallingford Hall
Tues 14 Nov	6 – 7.30pm Doors open at 5.30pm	Pōrangahau	Pōrangahau Sports Club

Animal Safety and Play Week

Guy Fawkes Night: Sunday 5 November

Please remember to take the correct safety precautions if you plan to let off fireworks on your property this year. Visit www.checkitsalright.nz/reduce-your-risk/fireworks for safety tips and to make sure conditions are okay on the night.

Fireworks can be terrifying for pets and animals so to keep your furry friends calm, make sure you have a safe place for them to be, whether it be inside with you or in their own outside enclosure.

Our Animal Services team will be available if you have a pet or animal that goes missing: 06 857 8060 (24-hour service).

Play Week: 6 – 12 November

Play Week celebrates the value play brings to tamariki, whānau and communities. Consider booking the Waka Tākaro play trailer for a community event. It's free and has heaps of games and toys to unleash children's imagination through creative outdoor play.

Keep an eye on Facebook @sporthawkesbaycentralhb for Play Week celebrations and events.

To find out more and to book the Play Trailer visit www.chbdc.govt.nz and search #wakatakaro or email lowri.baker@chbdc.govt.nz

Cemeteries & Crematoria Week

Cemeteries and Crematoria Week takes place from 31 October – 6 November.

The week highlights the value of these special places and encourages communities to engage and learn a little more about them. Join the conversation on social media by sharing your favourite cemetery, posting pictures of your cherished visiting spots, and don't forget to tag [@NZcemsandcrems](https://www.facebook.com/NZcemsandcrems) and use the hashtag [#cemsweeknz](https://www.facebook.com/NZcemsandcrems).

This week is also a chance for us to acknowledge the dedicated individuals who care for these sacred spaces.

Central Hawke's Bay District Council offers online access to cemetery records via a searchable database.

Access the Central Hawke's Bay cemetery database at www.chbdc.govt.nz by searching for #cemdatabase.

For assistance, contact us via email at customerservice@chbdc.govt.nz or phone 06 857 8060.
