

Proposed Freedom Camping Bylaw – Central Hawke's Bay

We want your views on whether we should introduce a bylaw to help manage freedom camping and ensure everyone, including visitors to Central Hawke's Bay, continue to enjoy our public spaces.

The proposed bylaw sets out areas where freedom camping will be permitted, restricted or prohibited within the district to protect the environment, health and safety of residents and access to key public sites. To find out more and view maps of the proposed restricted, permitted and prohibited areas visit: www.chbdc.govt.nz

Annual "Can Do" Food Bank Drive

The annual Central Hawke's Bay Food Bank Can Do Collection is happening on Wednesday 22 November to help support local families in need.

Residents in townships are encouraged to place non-perishable food items by their letterbox, ready for collection by volunteers between 6pm and 7pm on the night. Central Hawke's Bay District Council is again supporting this great initiative and offering collection points for non-perishable food in the lead up to the event at the Waipawa Library and The Knowledge and Learning Hub – Te Huinga Wai in Waipukurau.

Donations can also be dropped off to the PGG Wrightson depot on Takapau Road; CHB Foodbank at Central Connect, 125 Ruataniwha Street in Waipukurau; or grab a bag from New World, Waipukurau fill it up and leave it at their collection point.
