Read Together This Summer

Join our reading programme
and be in to win.

Dive into the world of stories, imagination, and togetherness this summer! Join our summer reading programme, and celebrate the joy of families reading together. Here's some inspiration of where you can read together to get started:

- Beach reads: Feel the sand between your toes as you immerse yourselves in tales of adventure and discovery.
- Park picnics: Enjoy stories under the shade of trees, surrounded by nature's beauty.
- Riverside revelations: Let the flowing waters accompany your journey through captivating narratives.
- Home escapes: Create your own reading haven at home, where imagination knows no bounds.

This programme is open to all ages. Pick up a bookmark from your local CHB Library or participate online through the Beanstack App (scan the QR code). List the eight books you read over the summer and then drop your bookmark into your local library before the end of February 2024, to go into the draw to win great prizes.
