

What's happening at your Libraries

CENTRAL HAWKE'S BAY LIBRARIES

Read Together This Summer

Summer Reading Programme

This programme is open to all ages. Pick up a bookmark from your local

CHB library or participate online through the Beanstack App. Scan the QR code.

List the eight books you read over the summer and then drop your bookmark into your local library before the end of February 2024 to go into the draw to win great prizes.

Mark it in your calendar.

For more information and to register, scan the QR code below or visit www.chblibrary.nz, or pop into either Te Huinga Wai, Waipukurau, or the Waipawa Library and register.

Thur 25	Play Trailer and Dog Safety Training Don Allan Reserve, 22 Church Street, Waipawa, 10am - 12 noon <i>Also offering half price dog microchipping</i>

GETS & Tender Workshop

5pm on Wednesday 24 and Wednesday 31 January 2024

Join Central Hawke's Bay District Council, WSP and Senior Procurement Manager Rowan Kyle at Te Huinga Wai, Waipukurau, to learn valuable skills and pricing methods that will increase your tender capability in any field.

Open to Central Hawke's Bay contractors and suppliers of all disciplines and services, the two-part workshop will explore how to make your submission standout in the tendering process and navigate GETS (Government Electronic Tendering System), where Council advertises all of its tenders to potential suppliers.

Whether you are looking to engage in Council work or with other employers, this informative workshop will have something for everyone who is keen to perfect their pitch for contracts.

Scan the QR code to confirm your attendance for catering purposes, or contact Rebecca England at Council on 06 857 8060 if you'd like to know more about the workshop.

Conserve Water

With summer well underway, it's imperative that we consider our water usage.

Reaching for the hose, sprinkler and tap can put additional pressure on our water reserves. For tips on how you can save water at home and details on current water restrictions, visit the Council website and make sure you're following the Council Facebook page @CHBDistrictCouncil.

If we're all careful with our water, there'll be enough for everyone!

For more information visit www.chbdc.govt.nz and search #water, or scan the QR code.
