

Streets for People construction underway

Work to deliver on the community's vision for Waipawa's main street

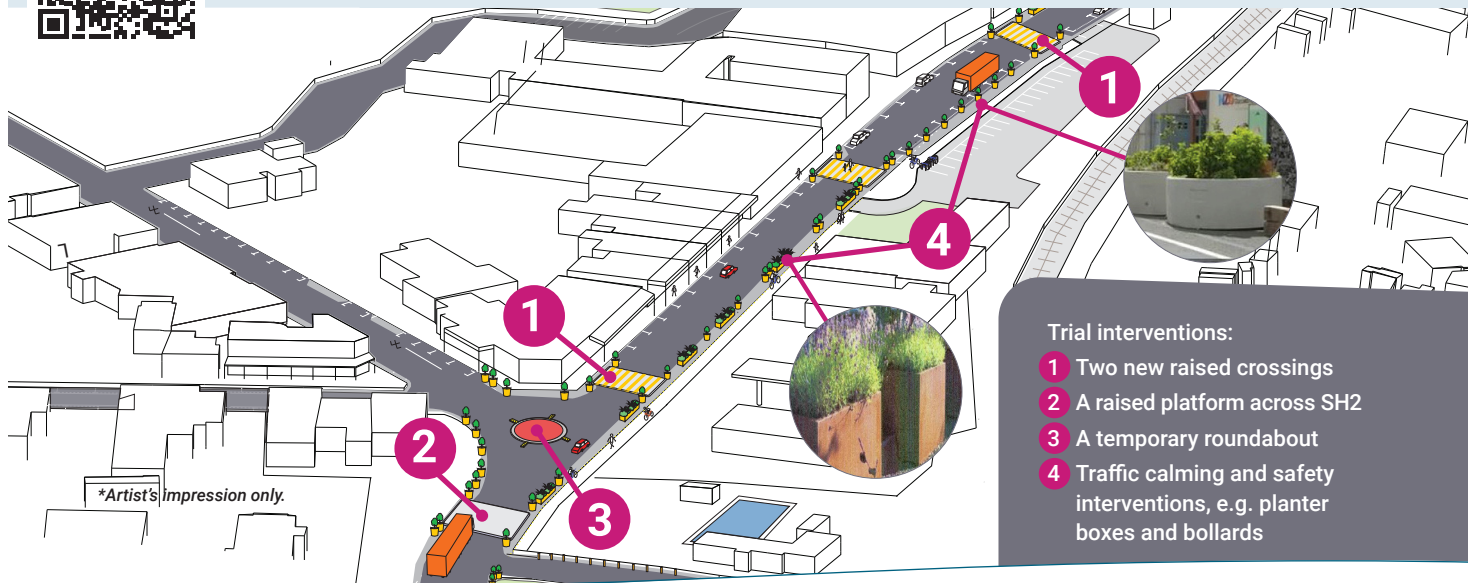

The project, which is substantially funded by NZ Transport Agency Waka Kotahi, involves trialling temporary innovative speed reduction measures, improved walking connections, temporary traffic calming measures and a temporary roundabout at the Ruataniwha Street/SH2 intersection.

The planned construction timetable for the trial safety and connectivity interventions are detailed below, with all works for this project taking place overnight. The changes are temporary and can be adapted after monitoring or even removed if found they are not successful. Successful changes will remain in place until Council can secure funding for a permanent change.

From 19 February:	Pavement repairs between Ruataniwha Street and the clock tower
27 February–4 April:	Construction of raised platform near Madge Hunter Park
5 March–5 April:	Construction of pedestrian crossing near BP Station
19 March–8 April:	Construction of pedestrian crossing near the library
5 April–26 April:	Construction of roundabout at SH2/Ruataniwha Street intersection

Scan the QR code or visit the Council's website www.chbdc.govt.nz for more project details.

*Artist's impression only.

Trial interventions:

- 1 Two new raised crossings
- 2 A raised platform across SH2
- 3 A temporary roundabout
- 4 Traffic calming and safety interventions, e.g. planter boxes and bollards

Early Reading Together

FREE programme for children under six years

The programme is a series of three short workshops designed to support parents/whānau of children under six years with their reading and literacy.

Taking place at Te Huinga Wai – The Knowledge and Learning Hub, the fun, interactive programme is suitable for any parent or caregiver with young tamariki.

Register now and mark the following dates in your calendar:

- Monday 11 March
- Monday 18 March
- Monday 25 March

Time: 10 am–11.15 am

To find out more and to register, scan the QR code or visit www.chblibrary.nz/whats-on/events-2
