## FREE Electric Blanket Testing

**Test before you rest!**

Safer CHB is offering local residents the opportunity to get their electric blanket checked for free, creating safer homes and reducing the risks of fire. Bring along your electric blanket to the **Waipukurau Fire Station on Russell Street on Wednesday 3 April between 9am to 1pm** for free testing by a certified electrician. Alternatively, you can drop your electric blanket off at the Waipawa Library or Te Huinga Wai between Monday 25 March and Tuesday 2 April and we will arrange for them to be tested and returned to you.
