Have your say today: Three Year Plan 2024-2027

ROAD TO RECOVERY

Consultation for Central Hawke's Bay District Council's Three Year Plan 2024-27 - Road to Recovery closes next week.

Council wants to hear as many views as possible before it decides the services and projects, we will deliver over the next three years and the rates required.

The best way to ensure your voice is formally heard when elected members make their decisions on behalf of the community is to complete a submission at letstalkchb.co.nz. Every submission is read and every submission matters.

Creative Communities Panel

We're looking for people to help assess for Creative Communities Scheme external funding.

The Creative Communities Scheme (CCS) external funding allows local creative projects to come to life in our district. If you know what's happening in the arts locally, have experience in one or more forms of art, live in Central Hawke's Bay or have specific cultural knowledge relevant to the arts, we would love to hear from you. You'll help assess funding applications for funding from artistic individuals and community groups and attend meetings between 2-4 times a year.

The Community Funding Policy contains further information on the fund and is available via www.chbdc.govt.nz/grants

If you're interested in being on the panel please email a one page letter to funding@chbdc.govt.nz by Friday 10 May 2024 detailing why you would like to be on the panel and how you can contribute.

If you have questions please contact Lowri, the Creative Communities Scheme Administrator on 06 857 8060 or email funding@chbdc.govt.nz
