Mobility Carparks

Central Hawke's Bay District Council provides 27 on and off-street mobility parking spaces for those displaying a CCS Mobility permit (or other approved permits). These specially designed spaces ensure that our community members who need them can access local facilities, parks, shops, and businesses with ease. The mobility parking spaces enable the permitted user to maintain an active and fulfilling lifestyle while enjoying everything our district has to offer.

From 1 October 2024, Government has increased the fine from \$150 to \$750 for those parking in mobility parks without a permit to encourage people to make the right choice.

Let's all do our part to keep these spaces available for those who truly need them. Together, we can make Central Hawke's Bay accessible for everyone!

Want to find a mobility carpark near you? Check out the map on our website: www.chbdc.govt.nz and search mobility carparks.

Building Solid Futures

Funding for Tertiary Education

Applications for the Waipawa Building Society Scholarship are open until 1 November 2024.

The scholarship is for tertiary education in New Zealand and available to anyone living in Central Hawke's Bay. Tertiary education includes education at universities, technological institutes/colleges, trade schools, and any other form of post secondary school training.

The Waipawa Building Society Scholarship Trust was established in 1990 by the Waipawa County Permanent Building and Investment Society and is administered by the Central Hawke's Bay District Council as the Custodian Trustee.

For more information and to access application forms visit www.chbdc.govt.nz and search #funding. You can also call us on 06 857 8060 or email governance@chbdc.govt.nz
